

Dear AHS Pupils in our new S2, S3, S4 and S5/6

Our New Timetable starts today, Monday 01 June 2020

I hope this finds you all doing well. I also hope that you have received your new Home Learning Pack for June 2020. Your Pack should have arrived in the post along with a paper copy of your new timetable. If you have not received an envelope, please ring the school office on 01505 808008 and we will fix that for you.

The new packs can also be viewed on our school website at www.anderson.shetland.sch.uk.

If you have additional support at school, and an individualised timetable, a Support for Learning teacher will have been touch with you and your family.

A warm welcome is extended to our new pupils who have moved from the junior high schools to AHS this morning. Please remember that you can contact your junior high school Pupil Support Teacher, or your AHS Pupil Support Teacher, during the month of June if you need any help at all.

We are now starting to work on plans to get you back into school from 11 August 2020. I will share information with you as soon as I can. We are all very much looking forward to seeing you.

I wish you all the very best as you move up a year group today.

Best regards
Valerie Nicolson
