Subject: Dates for the summer term

Dear AHS Pupils, Parents and Carers

In Service Days and School Closure

The Scottish Government has allocated two additional In Service days, to support schools complete the Scottish Qualification Authority (SQA) processes for pupils this year, given that there are no exams. For Anderson High School, the two In Service Days will be: Thursday 20 May and Tuesday 25 May 2021. These dates are either side of our planned long weekend, so the school will be closed to pupils from Thursday 20 to Tuesday 25 May inclusive.
