Subject: AHS Safety: Dropping Off and Picking Up

Dear AHS Parents and Carers

AHS Safety: Dropping Off and Picking Up

After speaking with Shetland Recreational Trust and our AHS Parent Council, I am writing to ask you to help us keep the road access around AHS as safe as possible.

When you are dropping off or picking up your children, **please do not use the Clickimin Leisure Centre road**. This is the private access into Clickimin for customers. It is also very busy with pupils walking to and from school.

Further, the Clickimin Centre's road is the essential access route for our blue buses, and parental cars, for those young people with additional support needs.

Some days, cars are waiting 15 minutes to clear the T junction exiting the leisure centre onto Lochside.

Please use the parental spaces between the pitches. You access these by driving from the Lochside roundabout, behind the Halls of Residence, and then turning down left between the pitches. There is a mini-roundabout to help keep things moving. Please do not use the AHS Staff Car Park.

Thank you very much for this.
