Coaching Approach

Will not tell pupil what to do – work with pupils to explore ideas, options and plan for the future

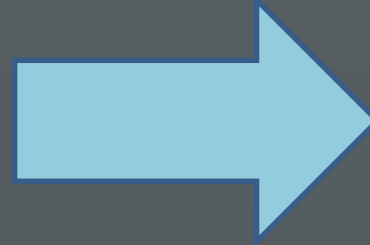

Can meet with pupils more than once – and usually this is the case.

We usually agree actions: research, use networks, plan etc

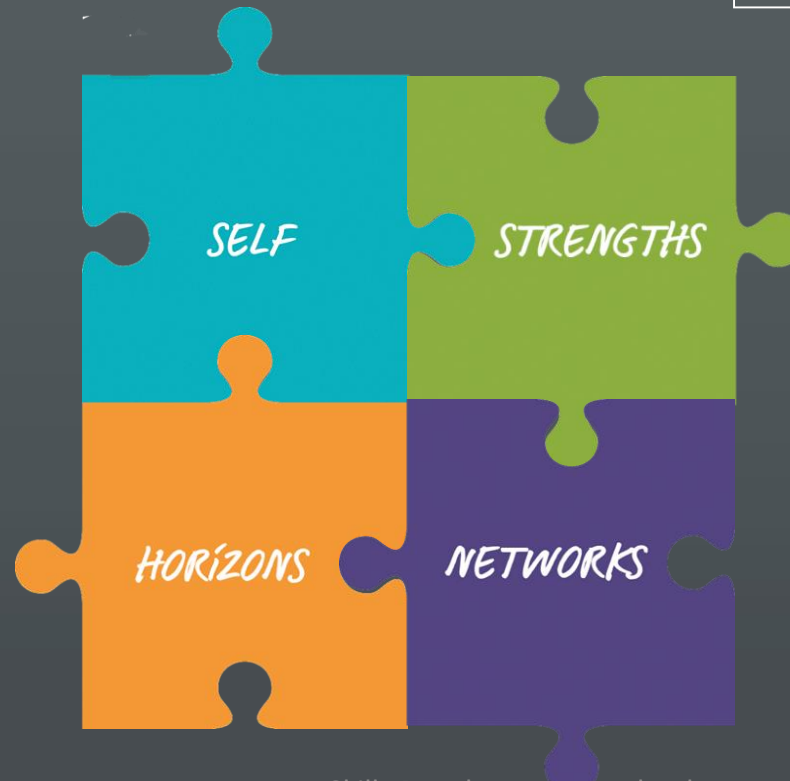

As well as guidance we can offer employability support: CVs, applications, interview, personal statements

Career Management Skills

**A: Where you are
now**

**B: Where you
would like to be**

**How can you support
your young person with
their career planning?**
