Subject: AHS Parents/Carers: N5/Higher Maths after school study class

Dear Parent/Carer

Please find below details of the after-school supported study classes that are now up and running in the Maths Department this session, for N5 Maths (or Apps) and Higher Maths. These classes provide an extra opportunity for pupils to work on their Maths, and get help from a Maths teacher. Pupils in previous years have found these sessions very useful in supporting them with their work, and in achieving their target grade. The classes run from 3:45 pm until 5:00 pm. Pupils can stay as long as they wish during these times, can work on homework, past-papers, or can get extra explanations/practice of any topic they wish. Should pupils need to use a public bus to get home afterwards, they can present the receipt to the school office the next day to be reimbursed.

If you have any questions, please do get in touch.

Yours sincerely

Edwin Irvine
Principal Teacher of Maths
Anderson High School

After School Maths Study Club

National 5	
Tuesday	Miss Erol (2.31)
Thursday	Mr Irvine (2.37)

Higher	
Tuesday	Mrs Risk (2.05)
Thursday	Mrs Galbraith (2.04)

If you are not able to attend either of these days, speak with your teacher.
We might be able to arrange another session!
