Why you should come along:

- Parents/carers are important and make a difference to children's learning.
- When parents/carers are involved children do better and achieve more.
- To work together with everyone involved in school life- parents, carers, pupils, school staff and the wider community – to support the school.
- To make sure that all parents/carers have a say in their children's education – and are able to express their views and wishes.
- Keep up to date with school events.

Why don't you save
